

QAIS KHAN

DESIGNER. MODEL. ADVOCATE.

PORA! 04 June 2023

## MY STORY - Моя история

- I was born profoundly deaf in a hearing family  
Я родился с тяжелым нарушением слуха в слышащей семье
- I went to mainstream school  
Я посещал массовую школу
- Low confidence, lack of communication skills and no true friends  
Низкая уверенность в себе, отсутствие навыков общения и отсутствие настоящих друзей
- Being deaf has brought many challenges and barriers in my life  
Глухота принесла в мою жизнь много проблем и барьеров

## ADVOCACY Активист

I'm excited to share with you the advocacy work I've been involved in for the past few years. Here are a few examples of my efforts.  
Я рад поделиться с вами работой по защите интересов, в которой я участвовал в течение последних нескольких лет. Вот несколько примеров моих усилий.

## Deaf Cochlear Implant User advocates at the United Nations for inclusive cities for all

The United Nations Youth Forum gave Qais Khan, a board member of CIICA, the unique opportunity to advocate as a young deaf person with a CI – and to ensure that people listened to what is needed to make cities accessible and sustainable and safe for all. Thanks to Bowen Tang and International Federation of Hard Of Hearing Young People for the opportunity!

THE VIDEO IS AVAILABLE TO WATCH ON CIICA'S NEWS PAGE

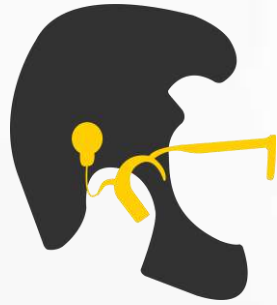

IF I CAN DO IT,  
THEN YOU CAN  
DO IT!  
ЕСЛИ Я МОГУ, ТО  
ТЫ СМОЖЕШЬ!

THANK YOU
